RICOH

OFFICE EQUIPMENT: **MONO**

Networked and standalone black and white printing focusing on speed, user friendliness and productivity.

Maximum Paper Size: A4/A3
B&W Print: 27 PPM
Resolution: 600 dpi

M 2700/ M 2701

The RICOH M 2700 comes with improved functionalities that make it more productive, convenient to connect, and easier to maintain. Some of the main features include a faster 27 pages per minute (ppm) print speed, 512 MB memory, and a 500-sheet standard paper tray, which enable the devices to handle larger and more complex print jobs in a shorter amount of time.

- Faster printing speeds of up to 27 ppm for single-sided prints
- Maximum 1,600-sheet paper input capacity enables longer uninterrupted printing
- Easily connect and print with AirPrint™ and Mopria support for iOS and Android smart device users
- Devices can be shared wirelessly on any network via wireless LAN option
- Minimal technical support required at device setup as network card and platen cover are preinstalled

Maximum Paper Size: A4/A3
B&W Print: 27 PPM
Resolution: 600 dpi

IM 2702

Designed for use in demanding environments, the IM 2702 delivers robust performance with minimal support. Localisation is easy as the MFP supports a variety of languages, including Arabic. And, with pre-set developer and a user replaceable photo conductor unit, it can easily be installed and maintained by local staff. What is more, to ensure a fast return on the initial cost, the MFP's smart energy saving features and high yield toner cartridges reduce running costs.

- Fast 27 ppm print speed
- High capacity ARDF
- A6 to A3 paper formats
- 1600 sheet max capacity

MP 305 + SPF

The MP 305+SP is a smart, compact A4 B&W MFP with A3 option that is ideal for small to medium-sized offices. With great usability functions like the Smart Operation Panel, you get all the advantages and the compact footprint of an A4 MFP but with A3 printing capabilities. Printing at 30ppm these devices are versatile, extremely quiet and they're both ideal if you're looking for inexpensive A3 printing solutions without losing valuable office space that a traditional A3 MFP would occupy.

- Small footprint – fits on any office counter or table
- Compact A4 Smart MFP with A3 capability using the bypass tray
- Unified user experience and simplified operation with intuitive 10.1 inch touch panel
- Operates silently allowing a comfortable workplace
- Inexpensive to run with an all-in-one solution-ready configuration

MP 2555 SP / MP 3055 SP / MP 3555 SP

The new A3 MFPs print and copy in black-and-white and scan in colour. Ricoh's award winning 10.1" Smart Operation Panel – the largest in its class - lights up when touched, allowing the user to select settings whilst the MFP recovers from energy-saving sleep mode. Ricoh's Intuitive User Interface with its Smart Copy, Smart Scan, Smart Fax and ID Card Copy apps simplifies operation. Productive finishing options include a staple/stapleless finisher and an inner folding unit, which is unique to Ricoh.

- Print and copy in black-and-white, scan in colour
- Choice of 25, 30 , 35 ppm print speeds
- Extra-large 10.1" Smart Operation Panel
- Intuitive User Interface simplifies operation
- Productive feed and finishing options

Maximum Paper Size: A4/A3
B&W Print: Choice of 25, 30, 35 PPM
Resolution: 1200 dpi (print), 600 dpi (copy), 600 dpi (scan)
