P C600

The P C600 is ideal for mid-size businesses and large corporate workgroups looking for outstanding reliability, sustainability and productivity. This incredibly low price per page device offers dynamic b&w and color output at up to 1200 x 1200 dpi resolution across a variety of media options. With its fast output speeds of up to 42-ppm, impressive paper handling ability and eco-friendly features, users are ready to impress and deliver important information at a moments notice. Users also benefit from a wide range of security options that will help keep their information protected.

- Compact and quietly efficient, the P C600 can be placed within arms' reach
- Its backlit LCD panel tilts so that essential information is easily viewed
- Eliminating bottlenecks, the first 1200 dpi print is ready in 7 seconds
- With up to 4 paper trays, letterhead paper and labels can be held on line
- Ricoh's Smart Device Connector app connects NFC enabled devices
- Improving access, the printer supports AirPrint and Google Cloud Print
- The printer's long-life drum and low TEC rating reduce waste and cost

Maximum Paper Size: A4
Colour & B&W Print: 42 PPM
Resolution: 1200 X 1200 dpi

Maximum Paper Size: A4/A3
B&W Print: 45 to 60 PPM
Resolution: 1200 x 1200 dpi

SP C840 / SP C842

Faster colour processing and best-in-class finishing options are only the start of the benefits. In fact, our latest A3 colour line-up can help you do more than ever. The SP C840DN and SP C842DN devices feature a 1,200 x 1,200 dpi image quality, 45ppm and 60ppm speeds and offer new ways to exceed your needs. And because they feature our Smart Operation Panel, you can preview jobs on the 10.1-inch screen and do much more in-house, so you can offer your business and customers a seamless, high quality colour experience.

- The first A3 colour printer with our Smart Operation Panel
- Faster processing of high data-volume colour print jobs
- Huge range of finishing options for professional, in-house output
- Highest standard paper-capacity in its class: 1,200 sheets
- Robust, reliable and low Total Cost of Ownership
