RICOH

PRINTERS: **MONO**

From small office to centralised production environment, there are affordable Ricoh solutions enhancing black and white printing productivity.

SP 3710DN/ SP 3710SF

The SP 3710 series combines high performance, with low total cost of ownership. These printers are low maintenance, and ideal for high productivity and multifunctional use. They are engineered for high reliability and are easy to use, with easy to set up optional 5GHz Wi-Fi. This series comes in a standalone printer or as a multifunctional device (print, copy, scan & fax).

- Up to 32 pages per minute output
- Ultra-high yield 7,000 page toner cartridge in the box
- Supports Air print, Google cloud print via mobile devices
- Compact footprint saves on valuable office space
- Optional WiFi capability and 250-sheet tray

Maximum Paper Size: A4
B&W Print: 32 PPM
Resolution: 1200 x 600 dpi

P501 / P502

To get the most out of your documents and data you need a device that enables efficient, simple and secure document management. A device that meets your business needs, from outstanding print output to seamless connectivity. And for that, you can rely on the Ricoh P 501/P 502 black-and-white printers. With these Value Devices you can print with outstanding reliability, sustainability and productivity.

- Powerful Intel 1.3 GHz processor quickly processes work
- Eliminating bottlenecks, first print is ready in 5 seconds
- Multipage document sets are produced at 43 ppm
- With WiFi Direct, there is no need to join a network
- Password protect and lock confidential documents
- Platform supports workflow and security solutions

Maximum Paper Size: A4
B&W Print: 45 PPM
Resolution: 1200 x 1200 dpi

Maximum Paper Size: A4
B&W Print: 50 PPM
Resolution: 1200 x 1200 dpi

SP 5300DN

The SP5300DN model is the type of fast, reliable, hardworking, everyday printer that will form the backbone of your company's document output. In fact, this device is best described as a powerful, efficient and durable workhorse. And although it's compact built, these A4 Black and White Printers will quite simply get the job done. An added bonus is the durable design combined with their class-leading reliability – and the powerful controller and advanced processor means superfast output too.

- Small footprint
- Advanced controller and processor
- An almost maintenance free device
- Print speed of 50 ppm
- ECO friendly with low power consumption

SP 6430DN

Outstanding media flexibility means that paper up to A3 in size and 220 g/m2 in weight can be used. Standard paper capacity is 600 sheets with the option of up to 2,100 sheets from five trays, so the SP 6430DN can manage long print runs and frequent use. No need to wait around for single prints either because a first print is generated in just 6.5 seconds.

- Smallest footprint in class saves valuable office space
- Cost-effective with Low Total Cost of Ownership
- Efficient output with best-in-class first page out in just 6.5 seconds
- Up to 2,100 sheets from maximum 5 paper trays and 500 sheet output capacity
- Flexible paper supply including thick paper up to 220 g/m2

Maximum Paper Size: A3
B&W Print: 38 PPM
Resolution: 1200 x 1200 dpi

Maximum Paper Size: A3
B&W Print: 60 PPM
Resolution: 1200 x 1200 dpi

SP 8400DN

When you need a robust, high-performance solution, the Ricoh SP 8400DN is here to transform your workflow. Printing the first page in just 2.2 seconds, this A3 60ppm B & W printer with multiple finishing options is perfect if your daily business does not allow you to wait for your print output. Experience the difference with the SP 8400DN, our first black and white printer with a Smart Operation Panel, a tabletlike 10.1-inch interface that's built to boost your productivity.

- At 60ppm, speed meets reliability in a durable design built for constant use
- Easy to operate using the intuitive 10.1-inch touchscreen Smart Operation Panel
- Powerful controller provides full speed printing of even the most complex jobs
- Versatile and compact with multiple finishing options in a small footprint printer
- Environmentally friendly with lowest TEC value in its class
